THE ASSOCIATION FOR CHILDHOOD EDUCATION INTERNATIONAL 1200 Fifteenth Street, N. W. Washington, 5, D. C.

April 29, 1959

Dear Mr. Jones:

The Association for Childhood Education International is indeed grateful to Northwest Missouri State College and to you as its President for making it possible for the many people concerned With the education and well-being of children to work through ACEI to have the services of Miss Neva Ross as Vice-President representing Kindergarten Education during the last two years. In this capacity she has served the Association well, and we know that through these experiences she has not only reflected favorably upon the College, but in the future will render ever stronger

We want you to know how much we appreciate this con-**Iribution** of Northwest Missouri State College.

> Sincerely yours, Frances Hamilton, Executive Secretary.

Senior Statistics

Thus far, 113 graduating seniors in the class of 201 have accepted teaching positions for next year. Only 8 students have accepted jobs other than teaching jobs, and a mere 4 have enrolled for graduate, law, or other further schooling.

These statistics show that more than 90 per cent of the students who have thus far registered their future intentions are going into present. teaching. Of the others, about 6 per cent have accepted other jobs, and only about 3 per cent will go on to further their education.

It may be of interest to note that of the students who are going into teaching, about 26 per cent will teach in the elementary grades.

At the present time in this college, there are 194 veterans enrolled in classes, and of the 201 graduating seniors, 27 are veterans.

Married students comprise about 27 per cent, and known engagements about 12 per cent, for a total of about 39 per cent of the Electrician Snags ments about 12 per cent, for a graduates this year.

Within a 50-mile radius of Maryville live 133 of the graduates, or about 65 per cent. This figure cannot be adequately determined because of many married students day evening, May 10. who have made their homes in Maryville for several years.

'Cat Teams Complete Spring Sport Season

Season Is Successful for 'Cat Baseball, Track, Tennis Squads

Spring of the year 1959 proved quite successful for easily won the intramural track the Bearcat sports teams. The tennis and baseball teams meet last Monday, May 11, by ended the season with impressive records and although scoring 59 points. The Sig Taus and the track team did not have as good a record, members brought their own credit to the

crowned MIAA Conference Champions on May 8, and completed Sets Olympic Goal their regular season on May 13, with another shut out victory of 7-0. over Kansas City University. Their overall season's record is 9-1 including 7 shutouts. The only loss came at the hands of a very strong Omaha team on April 24.

Individual Records Impressive Individual records of the team members are also impressive. John Bregin, number one man on the team, lost only 1 match in 14 meetings. Jack Freese was 11-3, Bob Fairchild 9-3, Duane Selser 5-2, and Larry Piper completed a 12-1 season also, losing only 1 match. In the doubles play both combinations of Bregin and Freese, and Fairchild and Piper had identical 9-1 records.

The baseball team, directed by Coach Marion Moss, completed the season with a good 7-2 record. As usual with a baseball team, weather played an important part in regard to meeting the season's schedule. Quite a few of the games were cancelled because of the weather and various other difficulties that arose. This corner is betting that if those games had been played this Bearcat team would have had an even better season's record.

Mr. Moss Directed Good Team

This was the first season for Mr. Moss in directing a Bearcat baseball team. He did a fine job but also had a good group of men to work with which is helpful to any coach. Congratulations, are due to the baseball team and Coach Moss.

On May 8, the Bearcat track future. team finished in 5th place in the MIAA Conference Outdoor Track Meet obtaining 261/2 points among strong entry of Conference schools. Kirksville won the title with 78 points followed by Cape Girardeau, Rolla, Warrensburg, Maryville and Springfield.

Bearcats Rack Up Four Firsts The Bearcats racked up four firsts and with their drive and spirit pushed the entire field to better results. Roger Wake won the broad jump with a leap of 23 feet, 11/4 inches. Bill Croy marked up a repeat win by grabbing the pole vault at 12 feet, Bob James hit the tape ahead of all others to win the low hurdles in 24.6, and Phil Collins tied for first place in the high jump with a leap of 6 feet.

The Bearcats also picked up a third in the 880-yard relay, with Clifton Schmitt, Allen Kearnes, Bob James and Wake marking up the points. James also snagged a fifth in the 100 yard dash. The 'Cats' mile relay team of Schmitt, Porter, Kearnes, and Wake came in with a third place.

All year long these Bearcat track men have performed to the limit of their potential despite injuries and difficulties that arose. They brought credit to the school by their drive and determination.

Caps Net Season

The Bearcat tennis team capped its 1959 season on Wednesday, May 13, with another sweeping win over a Kansas City University net team. The Bearcats nipped the visiting team 7-0, the same score by which they tripped them earlier this year on April 14.

The win gives Dr. Grube's team a 9-1 season and the MIAA Conference crown. Seven of the nine wins were shut out victories.

Sigma Tau Gamma fraternity won the intramural Suprem acy trophy again this year. Before, softball was completed, the held a 492 point margin over Phi Sigma Epsilon, who won onl wrestling and track. This was a big improvement though, as the Phi Sigs didn't win a single event last year, and finished more than 1000 points behind the Sig Taus. Tau Kappa Epsilon fin ished a distant last this year with 323 points.

The men students of Northwest had the opportunity this year to participate in an intramural program which featured 1different sports, and a total of 584 contests were held.

A round of handshakes are due to Marion Moss, Dr. H. D Peterson, and Dr. Frank Grube for their fine accomplishment with these teams this year.
